

REPORT ON ALUMNI LECTURE SERIES

Invited Lecture on "Inspirations beyond Graduation"

The Department of Zoology recently hosted an engaging lecture as part of its Alumni Lecture Series, featuring esteemed alumnus **Dr. S. Muthu**, who is currently serving as an Assistant Professor of Zoology at Bharathidasan Government College for Women in Puducherry, shared valuable insights from his journey to a successful career. The lecture, titled "**Inspirations beyond Graduation**," took place on February 26, 2024, in the Department of Zoology.

Speaker Profile: Dr. S. Muthu, an alumnus of TGAS College(1985-88 Batch), has established himself as a respected authority in the field of Zoology, with an illustrious career spanning academia graciously accepted to deliver a lecture and to motivate young Zoologists.

Key Points Covered:

Personal Journey: Dr. Muthu provided a candid account of his personal and professional journey, reflecting on the challenges he faced and the lessons he learned.

Career Milestones: The lecture delved into significant milestones in Dr. Muthu's career, including his academic pursuits, research endeavors, and eventual role as an educator.

Educational Insights: Attendees gained valuable insights into the field of Zoology, with Dr. Muthu sharing his expertise and experiences accumulated over years of dedicated study and research.

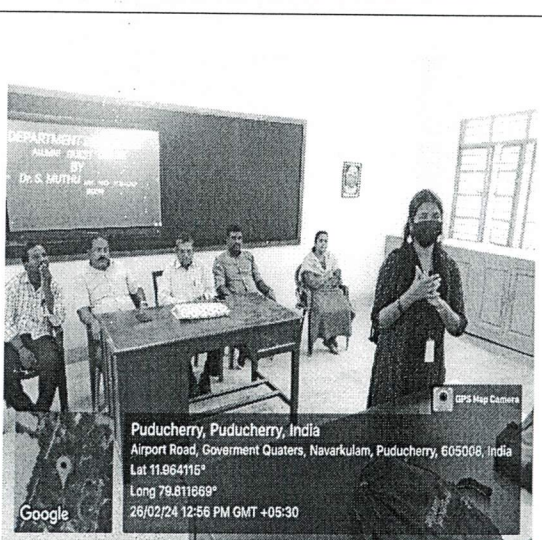

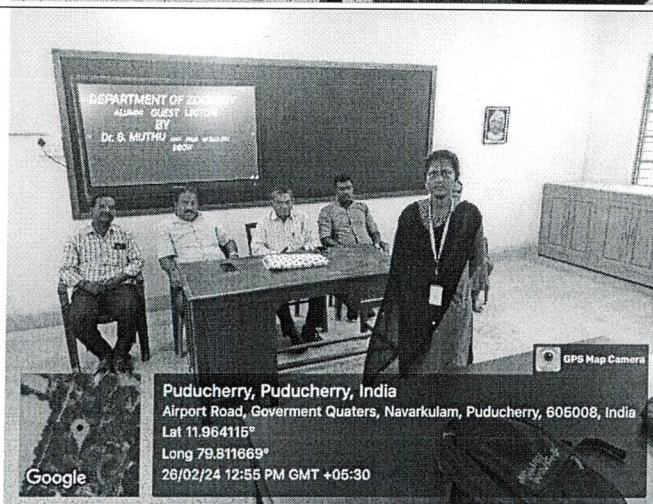

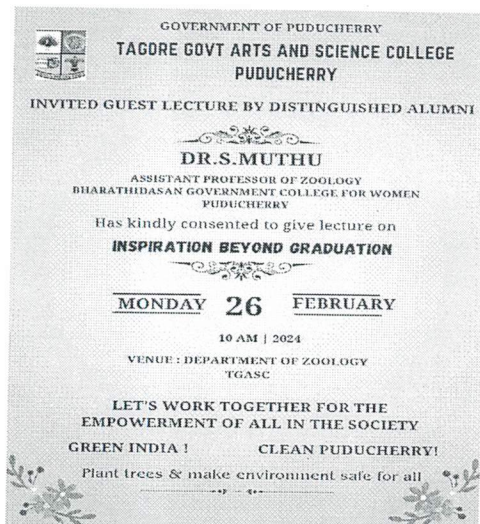

Inspiration and Motivation: Dr. Muthu's journey served as an inspiration to aspiring academics and students, emphasizing the importance of perseverance, passion, and continuous learning in achieving professional success.

Interactive Session: The lecture concluded with an interactive Q&A session, allowing attendees to engage directly with Dr. Muthu, seeking advice and clarification on various aspects of his career and field of expertise.

Conclusion: Dr. S. Muthu's Alumni Lecture provided participants with valuable insights into the journey of a successful career in academia. The event not only offered educational content but also fostered a sense of connection and pride among the university community. Such initiatives highlight the significance of alumni engagement and knowledge sharing in nurturing future generations of professionals. A total of 100 students from all the three years were participated. Dr.S.Nagaraj Head of the Department, Dr. D. Vasantharaja, Dr. D. Sandhiya, Dr.S.Irissappan Assistant professors of Zoology were also present. Students from all three classes were given their feedback and thanked the resource person for his inspiring lecture.

The success of the Alumni Lecture Series underscores the importance of continuing such endeavors to leverage the expertise and experiences of distinguished alumni. Future events could explore diverse fields and feature a range of accomplished alumni, further enriching the educational experience for students and faculty alike.
