

**TAGORE GOVERNMENT ARTS AND SCIENCE COLLEGE,
PUDUCHERRY**

IQAC-VISION AND MISSION

The College established the Internal Quality Assurance Cell in 2004. The IQAC is the nodal agency for ensuring quality guarantees in academic and administrative matters.

Vision

To achieve excellence in academic, extra-curricular and administrative activities and to promote quality culture by regular monitoring and evaluation.

Mission

To ensure regular assessment of teaching and extra-curricular activities.

To promote self evaluation and innovation in higher education.

To collaborate with other stake holders for quality evaluation and promotion.

To motivate departments to organize seminar, conferences and workshops.

To document activities and initiatives leading to quality improvement.
