This Memorandum of Understanding (MoU) is made and entered on November 2023 between **Tagore Government Arts & Science College, Lawspet, UT of Puducherry - 605008** (hereinafter referred to as TGASC), represented by its Principal, Dr Sasi Kanta Dash, and Head of the Department of Computer Science, Dr. S. Mourougan, the Party of the First Part which expression shall where context so admits or implies include its executors, successors, and permitted assignees.

And

KNS Technologies Pvt. Ltd., ISO 27001 & 9001 Certified Company, #13, Sun Arcade, 100Ft. Road, BTM 1st Stage, Bengaluru – 560068 (hereinafter referred to as KNSTEK) represented by Thiru. Baktavachalam Salla, Director the party of the Second Part which expression shall where the context so admits or implies include its executors, successors, and permitted assignees and the same witnesses.

Whereas the undersigned parties desire to enter into a Memorandum of Understanding (MoU) setting forth the functions to be performed by each of the undersigned parties.

PART 1: Brief profile of the Parties involved in the MoU.

TGASC (Tagore Government Arts and Science College, Puducherry), established in the year 1961, is the premier institution in the Union Territory of Puducherry. In a span of 50 years, it has blossomed into a full-fledged institution offering courses in a wide range of disciplines at the Graduate level. From the academic year 1986-87, the College was affiliated to the Pondicherry University. The department of Computer Science was started in the year 1990 and

has a successful track record of producing prominent students who got placement in leading IT companies and many of our alumni are also working in Education domain. Our college has been accredited with 'B' Grade by the NAAC. The Institute has a vision to enable self-development and empowerment of all students through modern, scientific, and value-based education so as to lead a purposeful life filled with moral and spiritual values.

KNS Technologies Pvt. Ltd., Bengaluru, is a fast-growing IT consulting firm that offers top notch business services and solutions for Federal / Government, Private and Not for Profit sectors. Founded in 2009 and headquartered in Herndon, Virginia, KNS is promoted by professionals with combined experience of 50 years.

PART 2: Objectives/ Purpose of the Memorandum of Understanding (MoU)

- To initiate joint collaborative approach of learning and to bridge the academia – industry gap.
- To initiate training programs and internship programs for the students.
- To jointly organize short-term programs on topics of mutual interest based on the current trend of the IT domain.
- To facilitate academic development exchanges between the Parties, including mutual visits by faculty/students to gain an insight on the recent approaches of Software development practices.
- To exchange information on teaching, learning material and other developmental and research programs.
- To provide technical training with Professional certification.
- To procure funds for the above purpose as a joint venture.

PART 3: Roles and Responsibilities of Both Parties

TGASC will provide.

1. Basic facilities to carry out software training and development for students.
2. Extend support by way of providing rooms and auditorium to conduct training and seminars.

3. Extend support by way of providing technical assistance for the students as planned by both organizations.

KNS Technologies Pvt. Ltd, (KNSTEK), Bengaluru, Karnataka, will Provide.

1. Extend support by providing expertise and technical support for software development practices and Internship programs, and Seminars.
2. Provide assistance and guidance to students for taking up internship and software development projects.
3. Extend support to raise funds and find partners for project collaboration.
4. Extend support and guidance for innovative ideas of the students regarding product-based development and implementation.

PART 4: Areas of Understanding

1. Details of training/research/product/technology development/academic activities

1. Training and Certification

TGASC and KNSTEK agree to facilitate training/short-term training programs and to facilitate students to take in-plant training or internship.

1. Exchange of Information

1. The term "information" includes scientific or technical data, results and/or methods, of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.

2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish, or disseminate such information for any and all purposes.

1. Details of the link/ Nodal officers for both Parties

To work out operational details of cooperation between the two organizations and ensure proper and effective implementation of this MoU, the following link/Nodal officers will be appointed. The coordinators will periodically review and identify ways to strengthen cooperation between the two institutions.

For TGASC - Dr. S. Mourougan, Assistant Professor of Computer Science
For KNS Technologies Pvt. Ltd., Thiru. Bakthavachalam Salla, CEO

2. Confidentiality

All information and/or data that may be exchanged, acquired and shared in connection with the areas of cooperation between the Parties pursuant to this MoU shall be treated as strictly confidential and shall not under any circumstances be divulged by the receiving Party to any third party without the prior written consent of the disclosing Party unless otherwise the same has already been in the public domain. This obligation shall continue to bind the Parties hereto notwithstanding the termination of this MoU.

Intellectual Property Rights

TGASC and KNSTEK agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-by-case basis and will be consistent with the officially laid down IPR policies of the two institutions.

PART 5: Financial Commitments

Both parties will jointly put efforts to raise funds for research activities, product development, technology development, training programs, and conferences and the budget required for the proposed projects will be prepared as and when the need occurs. The fees for Conference registration, Seminar and Internship programs will be fixed as per the regulations of both institutions. However, it will be finalized based on mutual understanding and in writing.

PART 6: Tenure of the Understanding and Exit Clause

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for **THREE** years from the date of signing and may be continued thereafter after suitable review and understanding. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither TGASC nor KNSTEK will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, TGASC and KNSTEK will ensure

PART7: Annexure

Specific Terms and Conditions related to the particular research or product/technology development if any.

Terms and Conditions related to facilitation of Faculty exchange if any.

Terms and Conditions related to conducting Workshop/Seminar /Conferences if any.

- a. Exchange students will be selected by mutual understanding between the home institution and the host institution.
- b. An exchange student will continue to be treated as a full-time student at his/her home institution.
- c. An exchange student will be considered a full-time "exchange" student at the host institution.
- d. His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e. The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- f. The home institution may award the exchange student credits earned at a host institution, but only after the home institution has established a correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.
- g. If an exchange student has undertaken research, then the host institution will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out.
- h. TGASC and KNS Technologies Pvt. Ltd, Bengaluru agree to provide suitable accommodation and living expenses for the student exchange.
- i. To avail travel expenses, students can apply for existing funding programs at their respective home universities/institutes.
- j. The exchange students will pay tuition and other fees at their home institution.

Sw - 2/2

that all activities in progress are allowed to be completed successfully.

This MoU has been executed in two originals; one is retained by TGASC and the other by KNSTEK.
