

About the Topic

In the past few months, discussion about corona virus has taken the centre stage. Amidst this lockdown, most of the information related to this virus come from the media. The ever increasing number of affected cases and consequent deaths has created panic among most of us and we are living in a state of uncertainty. We are yet to get first hand information from people who are continuously working to take care of the affected people. It is the right time to create a platform for an interaction with the corona warriors so that the nation regains its confidence and finds a new zeal to live a healthy and safe life.

Date: 5th June 2020

Time: 3:30 PM

Meeting Platform: Zoom
(Participants Limit=100)

Resource Person: **Dr. Udaya Chandar**

Dr Udaya Chandar, a native of Puducherry, is working as an Anaesthetist and Intenstivist in Gloucester, United Kingdom. For the last two and half months, he has been working on the front line as an Intenstivist in his hospital almost 75 hrs per week as a result of which they have managed to reduce the mortality rate in the whole of UK .They stand first among all the hospitals in terms of low mortality rates. He is engaged in managing the Covid patients personally. Therefore, he would like to share his experiences with all of the finest audience.. His information would definitely give us an idea how to break the chain of spreading the covid and take adequate measures to overcome the disease

Dr. SASI KANTA DASH
PRINCIPAL
TAGORE GOVT. ARTS AND SCIENCE COLLEGE

Tagore Govt. Arts & Science College was inaugurated by the then Commissioner of Puducherry, Shri.S.K.Datta in July, 1961. Pandit Jawaharlal Nehru laid the foundation stone for the new campus in 1963 in commemoration of the Birth Centenary of our patron Sri. Rabindranath Tagore. This College is affiliated to Pondicherry Central University since 1985. It is recognized by the University Grants Commission from 1968 under Section 2(f) and 12(b) of the UGC Act of 1956. The College has a beautiful and green campus of 15 acres situated in an urban setting well connected all localities of Puducherry. It is a co-education college. Girl students constitute almost half of the total strength. There are seventeen teaching departments covering almost all disciplines in Arts, Science, Commerce and Management.

INVITES YOU

FOR A WEBINAR
ON
LEARNING
MANAGEMENT SYSTEM

ON 15TH MAY 2020 AT 3:00 PM

WHY YOU NEED TO JOIN!

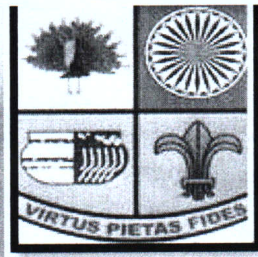

There is a continuous shift in higher education in our country. We come across new paradigm in teaching and learning from time to time and as a teacher we are expected to be prepared to meet the need of 21st century learners. Content preparation, content delivery, and learning outcome must match with the learning environment in which the present generation of learners live with.

Learning Management System is the need of the hour for effective engagement and involvement in teaching and learning both on the part of the learners as well as on the part of the teachers. In recent times, LMS has become the backbone on which the workflow of the education runs. Using an LMS, teachers can assign work, share content, and post grades while students can turn in work, view content, and collaborate on forums and with social-like features.

Various accreditation bodies like NAAC, has given special weight age for LMS. In fact, LMS reflects the rich curriculum and academic culture of an educational institution. Therefore, without the knowledge of LMS we will not be able to integrate our knowledge with web-enhanced teaching and learning environment.

WHO CAN JOIN!

This webinar will cater to the needs of the various stakeholders of education especially the first time learners. Therefore, it is open to all.

E-CERTIFICATE WILL BE GIVEN

CONVENOR
