2 hours

Brief: The program concluded with a grand Village Rally in Poroyru Village, featuring the participation of 50 dedicated Army Cadets. This final event celebrated the collective efforts made towards a cleaner and more sustainable community.

Outcome of the Program:

The Swachh Bharat Summer Internship Program of 2018 yielded significant positive outcomes. The comprehensive approach, involving diverse activities such as cleaning, painting, rallies, and community engagement, contributed to a noticeable improvement in cleanliness and hygiene in the targeted villages. The direct involvement of Army Cadets and other volunteers not only fostered a sense of responsibility among the youth but also generated widespread awareness about the importance of maintaining a clean environment. The program's impact extended beyond immediate visible results, leaving a lasting impression on the communities involved. Overall, the initiative successfully aligned with the broader goals of the Swachh Bharat Abhiyan, promoting a cleaner and healthier living environment.

Blood Donation Camp - 24.10.2018

Introduction: On 24th October 2018, Tagore Government Arts and Science College organized a blood donation camp in collaboration with JIPMER blood bank, aiming to contribute to the noble cause of saving lives through voluntary blood donation.

Event Highlights:

- Dr. R. Vasanthakumari, the Director of KMCPGS, inaugurated the function.
- A total of 70 students actively participated by donating their blood.

Key Points:

- Collaboration with JIPMER blood bank, ensuring a well-organized and safe blood donation process.
- Inauguration by Dr. R. Vasanthakumari, adding credibility to the event.
- Active participation of students, showcasing a sense of social responsibility.

Outcome: The blood donation camp successfully contributed to the community by providing a substantial number of blood units for medical emergencies.

Conclusion: Tagore Government Arts and Science College's Blood Donation Camp exemplified the college's commitment to social responsibility and community welfare, emphasizing the importance of voluntary blood donation.

Report on World Yoga Day Celebration and Rain Water Harvest Pond Inauguration

Date: 21.07.2018

Introduction: On 21st June 2018, Tagore Government Arts and Science College in Puducherry celebrated World Yoga Day with a special event that included the inauguration of a Rain Water Harvest Pond in the college premises. The event was graced by the presence of Mr. R. Kamala Kannan, the Minister for Education, Puducherry. This report details the activities conducted on this significant occasion, organized by the NSS unit and coordinated by Dr. G. Kannan and Mr. R. Kovalan.

World Yoga Day Celebration: The NSS unit, under the leadership of Dr. G. Kannan and Mr. R. Kovalan, organized a comprehensive celebration of World Yoga Day. The event aimed to promote the physical and mental well-being of the students through yoga. Various yoga sessions were conducted, led by experienced instructors, to introduce students to the numerous health benefits associated with regular yoga practice.

Inauguration of Rain Water Harvest Pond: A key highlight of the event was the inauguration of a Rain Water Harvest Pond within the college premises. Mr. R. Kamala Kannan, the esteemed Minister for Education, Puducherry, officially inaugurated the pond, emphasizing the importance of sustainable water management practices. The NSS unit, in collaboration with college authorities, took the opportunity to explain the ecological significance of rainwater harvesting and its positive impact on the environment.

Explanation of Benefits: During the event, students were actively engaged in interactive sessions where the benefits of both yoga and rainwater harvesting were explained in detail. Experts provided insights into the physical and mental advantages of incorporating yoga into daily routines, while also highlighting the role of rainwater harvesting in addressing water scarcity issues and promoting sustainable water usage.

Conclusion: The World Yoga Day Celebration and Rain Water Harvest Pond Inauguration organized by the NSS unit at Tagore Government Arts and Science College, Puducherry, successfully combined physical well-being with environmental consciousness. The active participation of students, coupled with the esteemed presence of Mr. R. Kamala Kannan, created an atmosphere of enthusiasm and awareness. The event not only contributed to the students' holistic development but also conveyed a strong message of environmental responsibility.

Independence Day – Saluting the National leaders - 15.08.2018

Introduction: Tagore Government Arts and Science College in Puducherry celebrated Independence Day on 15th August 2018, a day dedicated to honoring the sacrifices of freedom fighters and instilling a sense of patriotism among students.

Event Highlights:

- Dr. N. Ilango, the Principal, paid homage to Mahatma Gandhi on his 150th birth anniversary with floral tributes.
- A grand procession was inaugurated, traversing through Airport Road, Pudupet, and Uzhavan Sandai.

Key Points:

- Emphasis on the importance of Independence Day in remembering the struggles for freedom.
- Incorporation of floral tributes to Mahatma Gandhi, adding significance to the celebration.
- The procession aimed to involve the community and spread patriotic fervor.

Outcome: The Independence Day celebration successfully fostered a spirit of national pride, with students actively participating in the events and gaining a deeper appreciation for the country's history.

Conclusion: Tagore Government Arts and Science College's Independence Day celebration was a resounding success, reflecting the college's commitment to nurturing patriotic values among its student body.

Mahatma Gandhi's 150th Birth Anniversary Celebration - 02.10.2018

Introduction: On 2nd October 2018, Tagore Government Arts and Science College commemorated Mahatma Gandhi's 150th birth anniversary with a grand celebration, focusing on honoring his life and principles.

Event Highlights:

- Dr. N. Ilango, the Principal, paid floral tributes to Mahatma Gandhi.
- A procession was inaugurated, taking the route through Airport Road, Pudupet, and Uzhavan Sandai.

Key Points:

- Significance placed on Mahatma Gandhi's enduring legacy on his 150th birth anniversary.
- Floral tributes symbolizing reverence and respect for the Father of the Nation.
- The procession aimed to create awareness about Gandhian values and principles.

Outcome: The celebration effectively educated students about Mahatma Gandhi's ideals, promoting a sense of responsibility and commitment to his teachings.

Conclusion: Tagore Government Arts and Science College's Mahatma Gandhi's 150th Birth Anniversary Celebration was a poignant event, showcasing the college's dedication to preserving and promoting Gandhian values.

Special Conference on Principles and teachings of Mahatma Gandhi - 11.10.2018

Introduction: Tagore Government Arts and Science College organized a special conference on 11th October 2018, delving into the principles and teachings of Mahatma Gandhi as part of the commemoration of his 150th birth anniversary.

Event Highlights:

- Dr. M. Sivaraman, Professor at Arigrar Anna Government Arts College, Villupuram, and Mr. M. Sampath Kumar, Assistant Professor of Philosophy, delivered insightful speeches on "The Principle of Gandhiji."
- The conference provided a platform for meaningful discussions and reflections on Gandhian philosophy.

Key Points:

- Emphasis on the relevance of Gandhian principles in contemporary times.
- In-depth discussions led by esteemed speakers, enhancing the understanding of Gandhian philosophy.
- Interactive sessions allowing participants to engage with the principles on a personal level.

Outcome: The special conference significantly increased awareness and understanding of Mahatma Gandhi's ideologies among the participants, fostering a sense of reverence for his contributions.

Conclusion: Tagore Government Arts and Science College's Special Conference on Gandhiji's 150th Birth Anniversary was an intellectually stimulating event, contributing to a deeper understanding and appreciation of Gandhian principles.
