

National Integration Day Celebration - 23rd November 2021

The NSS volunteers of Tagore Government Arts and Science College came together to celebrate National Integration Day on the 23rd of November 2021. The event took place at the Open Air Classroom of TGASC and was graced by the presence of NSS Program Officers, Dr. Balaji and Dr. Jenni Balasubramanian. The program featured a Presidential Address by Dr. Sasi Kanta Dash, Principal (TGASC), and a Special Talk by Mr. M. Sampathkumar from the Department of Philosophy. The celebration also included engaging activities such as game sessions and a free talk session for the volunteers.

Event Highlights:

Presidential Address:

Dr. Sasi Kanta Dash, the Principal of TGASC, delivered a thoughtful Presidential Address emphasizing

the significance of National Integration Day. His speech highlighted the importance of unity in diversity and the role of youth in fostering national harmony.

Special Talk:

Mr. M. Sampathkumar from the Department of Philosophy delivered a special talk, providing insights into the principles of national integration. His discourse aimed at inspiring the NSS volunteers to appreciate diversity and contribute towards building a harmonious society.

Outcomes:

The celebration of National Integration Day served as a platform for the NSS volunteers to deepen their understanding of the cultural diversity that enriches our nation.

The event fostered a sense of unity and togetherness among the volunteers, encouraging them to actively contribute to the promotion of national integration.

Through the special talk and free talk session, volunteers gained insights into the role of philosophy and personal reflections in shaping their perspective on national unity.

NYF Preparation (04.01.2022-05.01.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **4th to 5th January 2022**

Highlights of the Event: The NYF preparation brought together NSS volunteers in a dynamic collaboration to create an inauguration video. Over two days, volunteers showcased creativity, teamwork, and technical skills, ensuring the video reflected the spirit of the upcoming National Youth Festival.

Talk by Chief Guest: While there wasn't a specific chief guest, Dr. Jenni Balasubramanian and Dr. N. Balaji, the NSS coordinators, played a pivotal role in guiding the volunteers through the creative process.

Outcome: The dedicated efforts of the volunteers resulted in a visually compelling inauguration video, setting an engaging tone for the National Youth Festival. This initiative not only showcased their skills in video production but also enhanced teamwork and creativity among the NSS participants. The event fostered a sense of unity among volunteers, preparing them for larger collaborative efforts in future activities.

National Mother Tongue Day (21.02.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **21st February 2022**

Highlights of the Event: National Mother Tongue Day was a cultural extravaganza featuring diverse linguistic presentations, talks, and an interactive session. Dr. Sasi Kanta Dash, Principal (TGASC), and Mr. Balagangatharan delivered insightful talks, emphasizing the importance of linguistic diversity.

Outcome: The event heightened cultural awareness among participants, fostering a sense of pride for their linguistic heritage. Volunteers gained a deeper appreciation for cultural diversity, promoting unity within the college through a shared celebration of languages. The interactive session facilitated meaningful conversations, encouraging volunteers to embrace and respect linguistic differences.

National Integration Camp (14.03.2022-20.03.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **14th to 20th March 2022**

Highlights of the Event: The National Integration Camp in Mangalore provided TGASC volunteers with a platform for cultural exchange and team-building. Engaging in various activities, participants developed a deeper understanding of India's rich diversity.

Outcome: The camp resulted in a strengthened sense of national unity among participants. TGASC volunteers gained cross-cultural insights and honed their leadership skills, fostering a spirit of unity and responsibility within the NSS community. The event marked a significant step toward developing a culturally sensitive and responsible youth, contributing positively to the social fabric.

Poetry Workshop (30.04.2022-01.05.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **30th April to 1st May 2022**

Highlights of the Event: The poetry workshop, hosted by Pudukkottai Kalai Illakiya Peravai, aimed to cultivate an interest in poetry. NSS volunteers actively participated in the event, expressing their creativity through verse.

Outcome: The workshop resulted in an enhanced appreciation for literary arts among participants. NSS volunteers learned the art of creative expression through poetry, contributing to their personal development. The event facilitated a supportive environment for self-expression and creative exploration.

Garden Making

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Highlights of the Event: NSS volunteers actively participated in the creation of a garden within TGASC premises, featuring herbal plants and artistic elements. The collaborative effort aimed to symbolize the importance of physical and mental well-being.

Outcome: The garden, a result of collective volunteer efforts, stands as a testament to the commitment of NSS participants to holistic well-being. The presence of herbal plants and artistic elements not only contributes to the physical health of the college but also provides a serene space for mental rejuvenation.

Yoga Program (14.05.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **14th May 2022**

Highlights of the Event: A Yoga program at Tagore Government Arts and Science College witnessed active participation from volunteers across various colleges. The program aimed to promote physical and mental well-being through the practice of yoga.

Outcome: The Yoga program contributed to the promotion of a healthy lifestyle among

participants. Volunteers learned and practiced yoga, enhancing their overall well-being and stress management skills. The event fostered a culture of fitness and mindfulness within the college community.

World Environmental Day (08.06.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **8th June 2022**

Highlights of the Event: World Environmental Day was celebrated at Sandhana Forest, Auroville, with Mr. Balagangatharan leading the program. The event included a special address by Vanjalavalli Sridhar, I.F.S., Puducherry.

Outcome: The celebration of World Environmental Day underscored the importance of environmental conservation and sustainable practices. NSS volunteers actively engaged in the event, gaining insights into environmental issues and fostering a sense of responsibility toward nature.

Yoga Program (20.06.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **20th June 2022**

Highlights of the Event: A Yoga program at Mother Theresa Government Nursing College witnessed the participation of volunteers from various colleges.

Outcome: The Yoga program on 20th June 2022 contributed to the promotion of physical and mental well-being among participants. Volunteers, practicing yoga, gained valuable insights into maintaining a healthy lifestyle. The event emphasized the importance of holistic well-being and mindfulness.

International Yoga Day (21.06.2022)

Organized by: NSS Unit I & II, Tagore Government Arts and Science College

Date: **21st June 2022**

Highlights of the Event: Celebrating International Yoga Day, a Yoga program and Beach cleaning initiative took place at Pondicherry Beach. Lt. Governor Dr. Tamilisai Soundarajan led the event.

Outcome: The celebration of International Yoga Day showcased the commitment of NSS volunteers to health and wellness. Volunteers actively participated in the Yoga program, promoting physical and mental fitness. The beach cleaning initiative reinforced the importance of environmental responsibility among the participants.

Report on NCC Cadets' Help Desk for College Admission

Date: 13th January 2021

Introduction:

On the 13th of January 2021, NCC cadets from the Army and Airforce wings took the initiative to establish a Help Desk at the entrance of the College for the admission of first-year degree students. The cadets also actively engaged in canvassing to encourage student enrolment in the NCC program. This report details the activities conducted during the event and its outcomes.

Objective:

The primary objective of the Help Desk was to facilitate a smooth admission process for first-year degree students and their parents. Additionally, the cadets aimed to promote awareness and interest in the NCC program, encouraging students to become a part of this prestigious organization.

Participants:

NCC cadets from both the Army and Airforce wings actively participated in the event. The cadets took on various roles, including managing the Help Desk, providing information to prospective students, and canvassing for NCC enrolment.

Activities:

Help Desk Establishment: A dedicated Help Desk was set up at the entrance of the college to assist first-year degree students with the admission process. Cadets were positioned to provide guidance and information.

Information Dissemination: Cadets at the Help Desk disseminated information about the college admission process, courses offered, and any relevant details that prospective students needed.

Canvassing for NCC Enrolment: In addition to assisting with admissions, NCC cadets actively engaged in canvassing to promote the benefits and opportunities offered by the NCC program. They encouraged students to consider enrolling in NCC and explained the advantages of being part of this esteemed organization.

Outcomes:

Smooth Admission Process: The Help Desk facilitated a smooth and organized admission process for first-year degree students. Prospective students received timely and accurate information, contributing to a seamless admission experience.

Increased Awareness of NCC: The canvassing efforts resulted in increased awareness of the NCC program among the student community. Many students expressed interest in joining NCC, reflecting a positive response to the promotional activities.

Report on Cadets' Participation in Pulse Polio Immunization Program

Date: 31st January 2021

Introduction:

On the 31st of January 2021, cadets of TGASC Army wing actively participated in the Pulse Polio Immunization program in their respective places. The initiative aimed to support healthcare professionals and parents in administering polio vaccinations. This report outlines the activities conducted by the cadets during the program.

Objective:

The primary objective of the participation was to contribute to the Pulse Polio Immunization program by assisting nurses and parents in administering polio vaccines. The cadets aimed to play a supportive role in promoting public health and eradicating polio.

Participants:

Five cadets from the TGASC Army wing took part in the Pulse Polio Immunization program. They were directed to participate in their respective areas, including Primary Health Centers (PHCs) and Anganwadis.

Activities:

Assisting Healthcare Professionals: Cadets actively assisted healthcare professionals, including nurses, in the administration of polio vaccines. Their role involved helping organize and manage the immunization process.

Supporting Parents: Cadets interacted with parents, providing information about the importance of polio immunization and addressing any concerns or queries they may have had. This interaction aimed to promote awareness and encourage active participation.

Outcomes: Increased Participation: The presence of NCC cadets contributed to increased community participation in the Pulse Polio Immunization program. Their involvement helped create a positive and supportive environment.

Enhanced Awareness: Cadets played a crucial role in enhancing awareness among parents about the significance of polio vaccination. They effectively communicated the importance of immunization in preventing the spread of polio.

Report on NCC Cadets' Helmet Awareness Drive

Date: 6th February 2021

In response to the Helmet Drive initiated by the Puducherry Government, NCC cadets of TGASC actively participated in an awareness drive aimed at promoting the use of helmets. The campaign was conducted on 6th February 2021 at the IG Circle, as part of the broader efforts to enhance road safety. This report outlines the activities conducted during the awareness drive.

Objective:

The primary objective of the awareness drive was to promote road safety by encouraging the use of helmets among two-wheeler riders. NCC cadets aimed to create awareness about the importance of wearing helmets and contribute to the overall success of the Helmet Drive launched by the Puducherry Government.

Participants:

NCC cadets from TGASC participated in the Helmet Awareness Drive. Their involvement was crucial in spreading awareness and facilitating positive behavioral change among the community.

Activities:

Awareness Campaign Setup: Cadets were strategically placed at all four ways of the IG Junction, equipped with placards and banners advocating the use of helmets. The setup aimed to catch the attention of commuters and passersby.

Distribution of Sweets: In a gesture of appreciation and encouragement, cadets distributed sweets to two-wheeler drivers who were observed wearing helmets. This served as a positive reinforcement strategy to recognize and reward responsible behavior.

Engagement with Commuters: Cadets engaged with commuters, providing information on the importance of helmet usage. They addressed queries and concerns, emphasizing the role of helmets in ensuring road safety.

Meeting with Transport Secretary Shri Ashok IAS:

Prior to the awareness drive, a meeting was hosted by Transport Secretary Shri Ashok IAS, where the NCC was entrusted with the responsibility of spreading awareness about helmet usage.

Outcomes:

Increased Awareness: The awareness drive significantly contributed to increased awareness about helmet usage among the community, particularly at the IG Circle.

Positive Engagement: Commuters and two-wheeler riders responded positively to the campaign, and the distribution of sweets added a personal touch, fostering a sense of appreciation for responsible behavior.

Conclusion:

The Helmet Awareness Drive conducted by NCC cadets of TGASC on 6th February 2021 was a successful initiative in support of the Puducherry Government's Helmet Drive. The active participation of cadets and their engagement with the community played a vital role in promoting road safety and responsible riding habits.

This report acknowledges the dedicated efforts of the NCC cadets and emphasizes the importance of continued community-oriented initiatives for enhancing road safety.

Report on NCC Cadets' Statue Cleaning Initiative

Date: 12th March 2021

Introduction:

In commemoration of the 75th year of independence, NCC cadets participated in a meaningful initiative to contribute to the community. On the 12th of March 2021, 30 Senior Division (SD) cadets of 1 (P) Indep. Coy took part in cleaning and maintaining the Marquis Joseph Francois Dupleix Statue situated at Beach Road, Puducherry. This report details the activities carried out during this event.

The primary objective of this initiative was to celebrate the historic milestone of 75 years of independence by engaging NCC cadets in a community service project. The focus was on cleaning and maintaining the Marquis Joseph Francois Dupleix Statue, contributing to the beautification and upkeep of a prominent public space.

Participants:

A total of 30 Senior Division cadets from 1 (P) Indep. Coy actively participated in the Statue Cleaning Initiative.

Activities:

Cleaning and Maintenance: Cadets engaged in the thorough cleaning of the Marquis Joseph Francois Dupleix Statue. This involved removing dust, debris, and any other pollutants that may have accumulated over time.

Beautification: In addition to cleaning, cadets ensured the beautification of the statue surroundings by trimming and maintaining the greenery and landscape.

Outcome:

Revitalized Statue Area: The cleaning initiative resulted in the revitalization of the Marquis Joseph Francois Dupleix Statue area, enhancing its aesthetic appeal and contributing to the overall cleanliness of Beach Road.

Community Engagement: The active participation of NCC cadets demonstrated a strong commitment to community service, fostering a sense of responsibility among the cadets towards maintaining public spaces.

Conclusion:

The NCC Cadets' Statue Cleaning Initiative on 12th March 2021 was a meaningful and impactful event, symbolizing their dedication to community service and the celebration of India's 75th year of independence. The meticulous cleaning and beautification efforts showcased the cadets' commitment to preserving historical landmarks and public spaces.

Report on NCC Cadets' Independence Day - Community Initiatives

Date: 12th March 2021

In observance of India's 75th year of independence, NCC cadets engaged in a multifaceted celebration on the 12th of March 2021. Thirty Senior Division (SD) cadets from 1 (P) Indep. Coy participated in statue cleaning and tree plantation along Beach Road, Puducherry. Additionally, two cadets from TGASC took part in a Cycle Rally organized by the Puducherry Group, aimed at spreading awareness about the sacrifices of Great Leaders for India's independence. This report details the various activities conducted during these celebrations.

Tree Plantation:

The primary objective was to celebrate the 75th year of independence by actively contributing to the beautification and cleanliness of public spaces.

Participation: Thirty SD cadets from 1 (P) Indep. Coy took part in cleaning the Marquis Joseph Francois Dupleix Statue at Beach Road.

Tree Plantation: In collaboration with the Forest Department, Government of Puducherry, cadets planted trees along Beach Road, contributing to environmental sustainability.

Cycle Rally for Independence Awareness:

Cycle Rally Objective: The Cycle Rally aimed to spread awareness about the sacrifices made by Great Leaders for India's independence.

Participation: Two cadets from TGASC actively participated in the Cycle Rally organized by the Puducherry Group.

Rally Route: The Cycle Rally commenced from Gandhi statue, traversing significant locations to highlight the historical significance of the struggle for independence.

Outcomes: The tree plantation activities contributed to the beautification and cleanliness of Beach Road, creating a positive and aesthetically pleasing environment.

Environmental Impact: The collaboration with the Forest Department for tree plantation added a significant environmental aspect to the celebration, fostering a sense of responsibility towards nature.

Awareness Spread: The Cycle Rally effectively raised awareness about the sacrifices of Great Leaders, ensuring that the significance of India's independence was acknowledged and remembered

Disaster Management Awareness Program - 15th December 2021

An insightful Disaster Management Awareness Program was conducted at Tagore Government Arts and Science College on the 15th of December 2021, aimed at fostering awareness and preparedness among volunteers for emergency situations such as floods, earthquakes, tsunamis, etc. The program was organized under the guidance of the National Disaster Response Force (NDRF) team from Arakkonam.

Event Highlights:

Objective:

The primary goal of the awareness program was to educate and train volunteers on the essential steps to be taken during various emergency situations. The focus was on enhancing their understanding of disaster management principles and instilling a sense of preparedness.

Sessions Conducted:

The NDRF team conducted informative sessions covering a range of disaster scenarios, including floods, earthquakes, tsunamis, and other natural calamities. These sessions provided insights into the characteristics of each disaster type, early warning signs, and appropriate response measures.

Practical Demonstrations:

To ensure practical understanding, the program included live demonstrations by the NDRF team. Volunteers had the opportunity to observe and actively participate in simulations of emergency response scenarios. This hands-on experience aimed to reinforce theoretical knowledge with practical skills.

Evacuation Drills:

Evacuation drills were conducted to familiarize volunteers with the evacuation procedures in case of emergencies. This practical exercise enabled them to navigate evacuation routes, assemble at designated safe zones, and understand the importance of orderly and swift evacuation.

Interactive Q&A Session:

An interactive question-and-answer session facilitated direct engagement between the volunteers and the NDRF experts. This allowed for clarification of doubts, further explanation of concepts, and the exchange of valuable insights.

Outcome:

The Disaster Management Awareness Program proved to be highly beneficial, with the following outcomes:

Increased Awareness: Volunteers gained a heightened awareness of the potential risks associated with different disasters and the importance of being well-prepared.

Enhanced Preparedness: The practical demonstrations and evacuation drills equipped volunteers with practical skills and knowledge to respond effectively during emergency situations.

Community Engagement: The program fostered a sense of community engagement, with volunteers understanding their roles and responsibilities in contributing to disaster response efforts.

IMPARTING INDIAN KNOWLEDGE SYSTEM

Honour Program for Padma Shri Awardee - Shri. V.K. Munusamy

Date: 20th December 2021

A grand program was organized on the 20th of December 2021 at Tagore Government Arts and Science College to honor Padma Shri awardee, Shri. V.K. Munusamy, an esteemed Indian Terracotta artist. The event was graced by the presence of Shri. V.K. Munusamy himself, Dr. Sasi Kanta Dash (Principal, TGASC), and distinguished office bearers of the Craft Council of Puducherry.

Event Highlights:

Address by Shri. V.K. Munusamy:

The highlight of the program was an inspiring address by the honored guest, Shri. V.K. Munusamy. He shared insights into his journey as a Terracotta artist, the challenges faced, and the significance of receiving the prestigious Padma Shri award. His words resonated with creativity, dedication, and a deep passion for traditional Indian art forms.

Address by Dr. Sasi Kanta Dash:

Dr. Sasi Kanta Dash, the Principal of TGASC, expressed gratitude and admiration for Shri. V.K. Munusamy's contributions to the world of art. He highlighted the college's commitment to promoting and honoring cultural and artistic achievements.

Recognition by Craft Council of Puducherry:

The Craft Council of Puducherry, represented by its office bearers, acknowledged Shri. V.K. Munusamy's outstanding contribution to the field of Terracotta art. They extended their congratulations and appreciation for his dedication to preserving and advancing traditional Indian art forms.

Outcome:

The program not only celebrated the artistic prowess of Shri. V.K. Munusamy but also served as a source of inspiration for students and the community at large. It reinforced the importance of recognizing and preserving India's rich cultural heritage.

New Year Traffic Duty - 31st December 2021

In response to the Home Department of Pondicherry's request to mitigate heavy traffic during the New Year's Eve celebrations, volunteers from the National Service Scheme (NSS) units of Tagore Government Arts and Science College actively participated in the event of traffic duty.

Event Overview:

Date: 31st December 2021

Volunteer Participation:

NSS volunteers from Tagore Government Arts and Science College enthusiastically volunteered for traffic duty to contribute to the smooth management of vehicular movement during the New Year's Eve festivities.

Collaboration with Home Department:

The initiative was a collaborative effort between the NSS units and the Home Department of Pondicherry. This collaboration aimed to enhance public safety and alleviate potential traffic congestion in key areas of Pondicherry during the celebratory night.

Traffic Management Strategies:

Volunteers were strategically stationed at various intersections and busy thoroughfares to regulate traffic flow. Their responsibilities included directing vehicles, managing pedestrian movement, and ensuring adherence to traffic rules to prevent bottlenecks.

Public Awareness and Assistance:

In addition to traffic management, volunteers also played a role in creating awareness about road safety measures. They assisted the public in understanding the designated routes, parking areas, and other relevant information to facilitate a hassle-free experience for residents and visitors.

Outcome:

The active involvement of NSS volunteers in the New Year Traffic Duty contributed to a successful and orderly celebration. The collaborative effort with the Home Department helped in creating a safer environment for the public, ensuring a smooth transition into the New Year.

Special Camp Report 2022 - Government Primary School, Navarkulam

Duration: 21st March 2022 - 27th March 2022

The Special Camp of 2022 commenced with an inaugural function held on the 21st of March 2022 at Government Primary School, Navarkulam. Dr. Sasikanta Dash, Principal of TGASC, Dr. P. Kolandasamy, State Liaison Officer, NSS Puducherry, Dr. Visalatshi, NSS Programme Coordinator (College), and the enthusiastic volunteers of TGASC graced the event. This marked the beginning of a week-long camp filled with various activities aimed at community engagement, awareness creation, and skill development.

Key Activities:

1. Inaugural Function (21st March 2022):

- Dr. Sasikanta Dash, in his role as the Principal of TGASC, inaugurated the camp, setting the tone for a week of impactful activities.
- Distinguished guests, including Dr. P. Kolandasamy and Dr. Visalatshi, provided valuable insights into the significance of NSS activities.

2. Various Activities and Interactions:

- Throughout the week, the camp hosted numerous activities, including interactive sessions with field workers, cleanliness drives, and awareness programs. These activities aimed to enhance the skills and awareness levels of the participating volunteers.

3. Cultural Sessions:

- The camp embraced cultural diversity with engaging sessions such as dancing, singing, and other forms of artistic expression. These activities provided a platform for volunteers to showcase their talents and fostered a spirit of unity.

4. Cleaning and Awareness Programs:

- Volunteers actively participated in cleaning initiatives within the school premises and the surrounding areas. Simultaneously, they engaged in awareness programs to educate the public about the importance of cleanliness and environmental conservation.

5. Valedictory Function (27th March 2022):

- The camp concluded with a grand valedictory function on the 27th of March 2022.

- Dr. M. Kamaraj, Vice Principal of TGASC, presided over the ceremony, emphasizing the significance of the volunteer's efforts.
- Dr. P. Kolandasamy, State Liaison Officer, NSS Puducherry, and Dr. Visalatshi, NSS Programme Coordinator (College), provided special addresses, acknowledging the impactful contributions made during the camp.
- Mrs. Damayanthi Jacqueline, Head Mistress of GPS, Navarkulam, added her insights, highlighting the collaboration between the school and the volunteers.

Conclusion: The Special Camp of 2022 served as a platform for meaningful community engagement, skill development, and cultural exchange. The dedication and enthusiasm exhibited by the volunteers, coupled with the guidance of the esteemed guests, made the camp a resounding success. The impact extended beyond the school premises, leaving a positive impression on both the volunteers and the local community. The culmination of the camp through the valedictory function reflected the collective achievements and the spirit of service instilled in the hearts of all participants.

Traffic Regulation Program Report - May 21, 2022, & May 28, 2022

Objective:

In response to the increased traffic congestion during the weekends, particularly in the vacation season, our team of dedicated volunteers undertook a Traffic Regulation Program. The aim was to assist the Home Department of Pondicherry in managing and regulating the traffic near the beaches of Pondicherry town, contributing to the creation of a smoother and more organized traffic flow.

Dates:

May 21, 2022

May 28, 2022

Activities Undertaken:

Traffic Duty:

Volunteers actively participated in managing traffic during the weekends, where heavy tourist inflow was causing congestion.

Deployed strategically at key intersections and traffic points, the volunteers worked alongside local traffic authorities to regulate vehicular movement.

Traffic Clearance:

Focused efforts were made to clear bottlenecks and congestion-prone areas near the popular beaches of Pondicherry.

Volunteers collaborated with local authorities to streamline traffic, ensuring the safety and convenience of both residents and tourists.

Citywide Traffic-Free Initiative:

The participation of our volunteers contributed to the broader goal of making Pondicherry city traffic-free during peak hours.

By actively engaging in traffic regulation, our team aimed to create a more pleasant and efficient experience for both locals and visitors.

Impact and Outcomes:

Enhanced Traffic Management:

The presence and active involvement of volunteers significantly contributed to improved traffic management, reducing congestion and enhancing the overall flow of vehicles.

Community Collaboration:

The collaboration with the Home Department of Pondicherry exemplified the effectiveness of community engagement in addressing local challenges.

Volunteers worked hand in hand with traffic authorities, fostering a sense of shared responsibility for the well-being of the community.

Positive Feedback:

Positive feedback was received from both residents and tourists, acknowledging the efforts of the volunteers in creating a more organized and navigable traffic environment.

Safety and Efficiency:

The program aimed not only to regulate traffic but also to ensure the safety of pedestrians and drivers, minimizing the risk of accidents in congested areas.

Conclusion: The Traffic Regulation Program conducted on May 21, 2022, and May 28, 2022, was a successful initiative undertaken by our dedicated volunteers. Their active participation not only helped manage weekend traffic effectively but also contributed to the broader vision of making Pondicherry city traffic-free. The positive impact on traffic flow and the collaborative spirit with local authorities

underscore the potential of community-led initiatives in addressing urban challenges. This program stands as a testament to the commitment of volunteers to enhance the quality of life in their community.

Report on Plog Run: India's Freedom Struggle – Jallianwala Bagh

Introduction: This report provides an overview and analysis of the Plog Run organized by the 1(P) NAVAL UNIT NCC at Tagore Govt Arts and Science College, Lawspet, Puducherry, in commemoration of India's Freedom Struggle, specifically paying homage to the martyrs of Jallianwala Bagh. The event took place on April 11, 2021, and involved the active participation of 20 Senior Division (SD) cadets.

Objective: The primary objective of the Plog Run was to honor and remember the sacrifices made by individuals during India's struggle for independence, particularly focusing on the tragic incident at Jallianwala Bagh. Additionally, the event aimed to instill a sense of patriotism and historical awareness among the participating cadets.

Event Details:

- **Date:** April 11, 2021
- **Organizer:** 1(P) NAVAL UNIT NCC, Tagore Govt Arts and Science College
- **Participants:** 20 SD cadets
- **Route:** 3-kilometer run from BGCW, Puducherry, to beach road Gandhi Statue, Puducherry.

Key Highlights:

1. **Symbolic Route:** The selected 3-kilometer route symbolized the historical journey of India's struggle for independence, creating a powerful connection between the physical activity and the sacrifices made by our freedom fighters.
2. **Tribute to Martyrs:** The Plog Run served as a poignant tribute to the martyrs of Jallianwala Bagh, fostering a deep sense of respect and gratitude among the participants.
3. **Participation:** The active involvement of 20 SD cadets from Tagore Govt Arts and Science College demonstrated a commendable commitment to preserving the values of freedom, courage, and sacrifice.
4. **Historical Reflection:** As the cadets ran through the streets of Puducherry, the event provided a unique opportunity for historical reflection, allowing participants to connect with the past and understand the significance of India's struggle for independence.
